### Sailing Season 2014 Overnight or Day Trip to Whitehall, New York

Book today for our upcoming cruises! These popular excursions are considered by many to be the best mini-vacations in the northeast. The trip is available as either a day trip, one way or as an overnight, two ways. We offer a variety of ways to make this unique excursion fit your budget: you may choose to dine on your own or choose a one way package from Schuylerville to Whitehall or Whitehall to Schuylerville. Included in the one way packages is the opportunity to take our shuttle for the return or arrange your own transportation.

Our full service package includes the round trip boat ride, lunch on board both days, dinner in one of the local restaurants with a spectacular view of the water, along with your room at a very nice local bed and breakfast.

We sail north on Saturday and return south on Sunday. Departure time is at 9AM. We sail under 18 bridges, some only with inches to spare and through 5 canal locks. Sailing time is approximately six and one-half hours. The distance we travel is over 35 miles through some of the most remote canal stretches in New York State. Enjoy unspoiled scenery and plenty of wildlife. **Don't forget your camera!**

### July 19 & 20 • August 23 & 24 • September 27 & 28
